## Mexican Securities

We invite special attention to the  
**Mexican Govt. 5% and  
4% External Loans**

and the Bonds of the  
**National Railways of Mexico**

to which are attached coupons for six  
years of interest due. As these obligations  
must necessarily be among the first to  
be recognized by the incoming adminis-  
tration and the areas of interest alone  
exceeds the present market price of the  
bonds with coupons, we cordially recom-  
mend their early purchase.
